Bosron, Aug. 5.—Three of the New England athletes who were members of the American team at Sweden arrived in Boston this morning on the Leyland Line steamer Canadian. They were Albert Gutterson of the B. A. A., who not only won the running broad jump but broke the Olympic record: Oscar Hedlund of the B. A. A. who finished fourth in the 1,500 meters, and Clarence DeMar, the Marathon runner.

Gutterson exhibited the Olympic wreath with which he was crowned by the King for winning the jump. He was also the recipient of pleasant news from a committee from his home city. Springfield, Vt. informing him that the citizens of that city were going to give him a great reception on his return and requesting him to leave the train at Bellows Falls, where he would be met by the committee of Springfield that city. Gutterson left tor Bellows Falls at 11 o'clock this morning, but he kept secret a little romance that, it is reported, may end in the champion jumper becoming engaged to a beautiful young woman named Catherine Alisson of Northampton. Mass. She was gradnated from smith college in 1998 and for the last two year has been studying in Germany.

She, her mother and two sisters were on the Canadian. Gutterson and Miss Allison met for the first time on the voyage at a unexpectedly poor start.

A Stoddard-Dayton Motor Car for \$1450

Stoddard-Dayton cars are known for their style, beauty and comfort. Ownership of a Stoddard-Dayton gives to you a car with an established reputation for class and distinction.

The Stoddard-Dayton "30" is a slightly smaller counterpart of the higher priced Stoddard-Dayton cars. It follows them in splendid appearance, excellence of body work, finish, and mechanical details. It is roomy. Deep upholstery, long wheelbase and easy-riding springs give to you the comfort and luxury accorded only by Stoddard-Daytons.

Its long-stroke motor is a marvel of silence. It has abundance of power and flexibility. It will throttle down to a walk and pick up easily and quickly. We'll be glad to have you try it. In other respects also this car merits your attention. Its specifications show advanced design and its equipment makes it ready for the road when purchased.

It has a 30 hp motor, three speed selective transmission, large double acting brakes, sturdy frame and axles. It is equipped with mohair top and boot, storm curtains, gas head lights and oil side and rear lights, gas tank, tools, etc. Moreover, when you own a "30" you have a "Stoddard-Dayton"—there is reason for pride and satisfaction in that alone.

DELIVERIES NOW: We are able to make delivery of touring car and roadster models at once. We have a full line of models on exhibition at our show rooms, and if you will telephone or write we will be pleased to send a car for you.
